His Way...Mine

September 7, 2006

To Whom It May Concern:

I am writing in behalf of Newsome Construction, who built our 12,688 square foot multi-purpose facility in 2005/2006.

Dwight Newsome consulted with our Building Committee from the beginning of the project and stayed in constant communication through his foreman and our chairman throughout the entire process. Newsome Construction was always helpful and forthcoming in changes or requests that were made of them.

Their Christian attitude, cooperation and integrity are impeccable. We are well-pleased with the results of contracting Newsome Construction for our first-phase facility and they completed their work on time.

Sincerely,

A handwritten signature in cursive script that reads "Robert A. Nickell".
